CAREER OBJECTIVE

Enthusiastic B.Tech Artificial Intelligence & Data Science student with a strong interest in student communities, technology events, networking, and campus engagement. Experienced in participating in and supporting technical events, student activities, event promotion, and team-based initiatives. Seeking to contribute as an Unstop Campus Champion by promoting opportunities, increasing student participation, building awareness about hackathons, internships and competitions, and creating a strong student community on campus.

EDUCATION

B.Tech – Artificial Intelligence & Data Science

Expected Graduation: 2029

Muthayammal Engineering College, Rasipuram | CGPA: 7.00

LEADERSHIP & CAMPUS ACTIVITIES

- Actively involved in technical events, symposiums, hackathons, and student activities.
- Supported the coordination and promotion of college-level technical events and student programs.
- Communicated event details and opportunities with students through campus networks and digital platforms.
- Worked with student teams for event coordination, registration, promotion, and participant engagement.
- Interested in connecting students with hackathons, internships, workshops, competitions, and learning opportunities.
- Experienced in collaborating with team members to plan and execute technology-focused activities.
- Passionate about building an active and supportive student technology community.

AI-ASSISTED TEAM PROJECT DEVELOPMENT

- Collaborate with team members to develop technology-focused projects using modern AI-assisted development tools.
- Use AI tools for ideation, research, prototyping, debugging, documentation, and improving development workflows.
- Work as part of a team to explore real-world problems and develop technology-based solutions.
- Continuously explore emerging AI tools and technologies to improve productivity, creativity, and project development.
- Comfortable working in collaborative environments where technology and AI tools are used to accelerate development.

TECHNICAL SKILLS

Programming: Python, C, SQL

AI & Data: Artificial Intelligence, Machine Learning, Data Science

Web Technologies: HTML, CSS, JavaScript

Databases: MongoDB

Development & Tools: GitHub, Firebase, AI-Assisted Development Tools, Generative AI Tools

ACHIEVEMENTS & PARTICIPATION

- Participated in PEC Hacks 4.0 – 2026.
- Participated in technical symposiums, hackathons, paper presentations, quizzes, and technology-focused activities.
- Participated in National Student Paryavaran Competition (NSPC) 2026.

- Participated in National Quiz on Partition Horrors Remembrance Day 2026 conducted by the Ministry of Culture & MyGov.
- Participated in Tiranga Knowledge Quiz – Azadi aur Lakshadweep conducted/acknowledged by MyGov Lakshadweep.
- Actively involved in student-focused technical and learning activities.

CERTIFICATIONS & LEARNING

- MongoDB AI Fundamentals – MongoDB
- MongoDB Basics – MongoDB
- National Student Paryavaran Competition (NSPC) 2026 – Certificate of Participation
- National Quiz on Partition Horrors Remembrance Day 2026 – Ministry of Culture & MyGov
- Tiranga Knowledge Quiz – Azadi aur Lakshadweep – MyGov / U.T. Administration of Lakshadweep

Ongoing Learning: NPTEL – Distributed Systems

CORE STRENGTHS

Leadership • Communication • Student Networking • Event Promotion • Teamwork • Community Building • Public Speaking • Event Coordination • Problem Solving • Social Media Promotion • AI-Assisted Productivity

CAMPUS CHAMPION VALUE

- Strong interest in student engagement and community building.
- Able to communicate opportunities clearly and encourage student participation.
- Interested in promoting hackathons, internships, competitions, workshops, and career opportunities.
